"TUM-A-LUMBER" a BUYWORD for **GOOD LUMBER**
"TUM-A-LUM" First, last, and all the time!
"TUM-A-LUMP" is **GOOD FUEL**
And here's why—
 There's More to the Retail Lumber Business than just "Selling Wood."
 Our business policy is to help you to BUY WHAT YOU WANT.
 If you are satisfied, you'll come back, and we will be saved just so much expense in trying to SELL.
 This SAVING we put into better SERVICE, which helps to better satisfy you next time.
 It's very simple—it's right—it's good business.
 We lose no time "explaining or apologizing or trying to smooth things"—we don't have to.
WE ARE IN BUSINESS TO SUPPLY YOUR WANTS IN THE BUILDING MATERIAL LINE.
 To do that properly requires a fund of expert information that raises this business to the dignity of a Profession.
 We are proud of our business, and we'll take great pleasure in helping you to solve any and all building problems.
 And this does not obligate you in any way—We'll be glad to do it.

Why Advertising in THE GAZETTE-TIMES Brings Results to the Advertiser—
 Being the third of a series of advertising talks by the "Devil".
The Field of The Gazette-Times.
 The field of The Gazette-Times includes Morrow county, with an area of 2400 square miles, and the northern portion of Grant county. The principal industries of this great section are stock raising and agriculture, the chief products being wool and wheat.
 This year record prices have been paid for both wool and wheat and because of the great amount of both produced large sums of money have been brought into the country.
 This gives the people greater purchasing power than ever before and makes the field of The Gazette-Times unexcelled for the purposes of the advertiser.
 Next week we will explain how the circulation of The Gazette-Times covers this field like a blanket and offers the only logical medium through which the advertiser can get his claims before the people of this section.

DAIRYING AND FLAX GOOD COMBINATION

Western Oregon Has Thousands of Suitable Acres, "as Good as Any in Belgium," Says Bulletin.

University of Oregon, Eugene, Oct. 2.—"Western Oregon is especially adapted for both dairying and flax culture. Conditions become even more favorable when both are combined," says a flax bulletin recently issued by the University of Oregon. The bulletin is entitled "The Culture and Manufacture of Flax for Fiber and Seed," and may be obtained free upon request.

"Dairying and the cultivation of flax operate to balance each other," says the bulletin. "The clover and vetch crops that provide the fodder for cattle are the very crops that restore to the soil the nitrogen that is depleted by flax growing. The greatest demand upon the soil made by flax is for nitrogen—yet one crop of clover will restore as much of this element as is taken out by two crops of flax. On the other hand, flax seed, hulls and straw are all good stock food, the seed especially."

The bulletin deals with production, demand, freights markets, profits, prices, expert-opinions and conditions in foreign countries, as to flax. No one should attempt to raise flax without being informed as to soil, the proper kind of water for retting and climate. "Western Oregon has thousands of acres of suitable soil, much of which has been passed upon by experts and declared as good as any in Belgium or other flax producing countries," says the bulletin.

HEPPNER 25 YEARS AGO

From the Gazette of Oct. 22, 1891.
 Nels Jones addition to the town of Heppner is the latest. It contains some excellent building lots.

Messrs. J. F. Willis, J. W. Lieualen and Mr. Ferguson of the Lexington country have just sold their wheat at the banner price of 74 cents. This is the best figure paid in Morrow county this season.

Mr. Hayes of Heppner, accompanied by Andrew Neel of Lone Rock, visited our town the first of the week. Mr. Hayes is one of the harness makers who expects to open a shop in Condon soon. He is much pleased with Condon and its outlook.—Condon Globe.

Council met in regular session Monday evening, Mayor Matlock presiding. All councilmen were present except Garrigues. The minutes of the last regular session were read and approved. W. Van Cadow presented a petition to the council asking an appropriation of \$20 to place a suitable tower on the Palace Hotel to display signal service flags, he offering to expend \$10, the total amount necessary being \$30. On motion, the same was adopted and an order drawn accordingly.

NO TIME WASTED.

Prompt Action Is Pleasing Many Heppner Citizens.

Get down to the cause of everything. Bad backs are frequently caused by weak kidneys. Help the kidneys to get rid of kidney backache. Doan's Kidney Pills are for the kidneys only. No time wasted trying to cure other troubles. Heppner people endorse their merit.

Mrs. J. C. Wattenberger, Heppner, says: "I have never had occasion to take a great many of Doan's Kidney Pills, but what I have taken has proven very satisfactory. Different ones of my family have used Doan's Kidney Pills whenever it has been necessary to take a kidney medicine and have found them very beneficial. I can always speak a good word for Doan's Kidney Pills, for I know they are a medicine of merit."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Wattenberger had. Foster-Milburn Co., Props., Buffalo, N. Y.
